THE EDUCATION FUND'S

Ocean Bank Center for Educational Materials

Sponsored by **OCEAN BANK**

FOR THE LOVE OF ART

Many of the pieces being auctioned today are made from materials found in The Education Fund's Ocean Bank Center for Educational Materials, a warehouse and distribution program sponsored by Ocean Bank and run by The Education Fund. The Ocean Bank Center collects surplus inventory and supplies from the business community and makes them available for free to Miami-Dade County Public Schools' teachers for their students.

The creative process begins with recycled materials – everything from tools to milk jugs, scrap metal, cardboard tubes, tin foil, acetate, Styrofoam, music CDs and even thread from water hoses. Equipped with these recycled materials, or "found objects," students and teachers use their creativity to convert them into works of art such as paintings, drawings, traditional sculptures, mixed-media and 3D pieces, many of which are available for purchase today!

Ocean Bank, Sapoznik Insurance, The Children's Trust, Bacardi, Verizon, Anthony R. Abraham Foundation, Jackson Health System, Myrna and Sheldon Palley, DoubleTree Miami Airport Convention Center, the Wolfson Family, Morgan Lewis Bockius, LLP, YaYa Wine, CBS4, and Jonathan Symons are proud to host The Education Fund's Honorees Celebration and Charity Art Auction, "For the Love of Art," featuring one-of-a-kind artwork donated by talented students, teachers and professional artists.

100% OF THE PROCEEDS FROM THE SALE OF STUDENT AND TEACHER ART DIRECTLY BENEFIT THE VISUAL ARTS PROGRAMS IN OUR PUBLIC SCHOOLS.

Ocean Bank Center for Educational Materials

Our 11,000-square-foot warehouse is where teachers shop for free, filling their classrooms not only with art supplies and creative teaching aids, but also with pencils, pens, paper, books and other essentials we take for granted.

There has never been a more critical time to support our teachers. By donating supplies or materials, you help teachers continue to develop our greatest resource: our children's future.

SINCE OPENING IN 1993:
